SWEDICE
ALL SEASON FUN & EVENTS

IN TODAY'S 24/7 ECONOMY, PEOPLE WANT SKI ON THE BEACH IN THE SUMMER AND SKATE IN SEPTEMBER. THEY ARE SEEKING FOR NEW EXCITING / EXTREME THRILLS. NEW DEVELOPMENTS AND CREATIVE IDEAS ARE PRESENTED THESE DAYS, TO FULFIL THOSE WISHES. SWEDICE ALL SEASON FUN & EVENTS CREATES ALL SEASON ATTRACTIONS WITH A TOUCH OF WINTER EXPERIENCE LIKE:

RENTAL ICE RINKS

if you are looking for flexible use of ice rinks we might have a rental solution.

SYNTHETIC RINK

the latest development in skating floor, the synthetic floor: this gives you almost the same feeling as real ice but without the energy costs!

TUBING BY NEVEPLAST

new modular system which enables you to slide & glide without the need of energy. Extreme easy to install and very safe to use!

ARTIFICIAL SKI SLOPES

skiing with carve techniques were not possible before Neveplast Italia introduced the NP 30 alpine ski mat. Skiing without the need of spraying water, almost the same slipperiness as snow and the possibility to use your own ski's without any worry.

CROSS COUNTRY

introducing the opportunity to sport without limits the NP50 matsystem has a classic or skate system which offers a good training alternative for cross country fans.

ICE AND SNOW

if you would like to create decoration or attractions with Ice or Snow functions integrated we can assist you in this.
